

## DESCRIPTION

The Manchester Heritage Table blends understated elegance with traditional craftsmanship. Featuring a solid black walnut top, this handcrafted dining table showcases the natural beauty of wood grain with rich tones and organic variation that make each piece unique. The classic turned-leg base adds a timeless silhouette that fits comfortably in both historic homes and modern settings seeking warmth and character.

Each Manchester Heritage Table is built to order in New Hampshire, using time-tested joinery and hand-applied finishes. Choose from a variety of base finishes—including white, black, primed, or natural wood—to match your home's style or create a striking contrast with the walnut top. The table's generous proportions and refined details make it perfect for everyday family meals, festive gatherings, or as a lasting centerpiece in your dining space.

Custom sizing is available to ensure the table fits perfectly in your room and supports the way you live. Whether you're furnishing a colonial farmhouse, a transitional dining room, or a cozy cottage, the Manchester Heritage Table brings enduring beauty, strength, and personal craftsmanship to the heart of your home.
